

Hello neighbour!

We're Le Bon Bac — a Montreal-based start-up that helps you responsibly dispose of hard-to-recycle materials — you know, the ones that don't go in the regular recycling bin. We make decluttering easy, convenient, and rewarding. We're testing our service in your neighborhood for one month — and you're invited to participate for free!

This week's pick-up

This week, we are collecting the following items :
Clothing, textiles and shoes for recycling or donation

Prepare these items as follows:

1. Empty pockets and remove heavy dirt
2. Make sure the items are dry

Place the bag in front of your door on the morning of **Sunday, June 8, 2025, before 9a.m.** We will pick it up during the day. You do not need to be home.

Got some space left in your bag ?
It's the perfect opportunity to toss in these key items

Eyeglasses, prescription sunglasses, tennis balls, chopsticks, and wine corks.

How does it work ?

01. Fill the bag

02. Leave it outside your door

03. Le Bon Bac picks-up

04. Learn what happens to your waste
